Pediatric nutrition is the maintenance of a proper well-balanced food plan consisting of the essential vitamins and the adequate caloric intake necessary to promote increase and maintain the physiologic requirements on the various stages of a child’s development. It will come under the Neonatal Congress Infant nutritional needs vary considerably with age, level of activity, and environmental conditions and they are directly related to the rate of growth. Breast Feeding has important ingredients that are not found in any toddler formulation, to build the toddler’s immune system. Pediatric nutrition must include essential vitamins and Minerals which help for the growth and improvement. Proteins are the basic units required particularly for the construction of the body muscles and in all the metabolic activities of the body. In this Upcoming Pediatric Conferences you will learn a lot things regarding the Pediatrics. Dairy product help to increase the calcium intake of the body which is essential for a new born child. An age-appropriate food regimen is one that provides adequate nutrients, is appropriate for a child’s state of development, and can help prevent obesity

Clinical Pediatrics is a restorative diary that takes to distribute and to access information on a change of tyke focus mind points alongside those of a logical, instructive, behavioral, clinical or ethical nature. Clinical Pediatrics in this Pediatric Conferences sensitivity is likewise a standout amongst the most vital and generally considered territories in novel research of this field.

The young people between the ages of 10 and 19 years are often thought of as a healthful group despite these more than 3000 children die every day from largely preventable reasons, according to a new file from WHO.

most of the younger people are suffering from prematurity, accidents, suicide, violence, pregnancy-related complications and other illnesses that are both preventable or treatable.

Pediatric allergy is a crucial subject to be learnt to promote knowledge and enhance the treatment of respiration, allergic, and immunologic diseases in youngsters. according to the epidemiologic research the common chronic illnesses of children—asthma and allergies as well as many rare diseases and uncommon diseases.

Nutrition & Pediatrics 2020 Young Scientist Awards

Pediatrics Meet 2020 Conference Committee is intended to honour prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Awards make every effort in providing a strong professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of Pediatrics and Neonatal care

Young Research’s Awards at Pediatrics Meet 2020 for the Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the Pediatrics Meet 2020 young research forum..

Benefits:

➢ Young Scientist Award recongination certificate and memento to the winners
➢ Our conferences provide best Platform for your research through oral presentations.
➢ Learn about career improvement with all the latest technologies by networking.
➢ Young Scientists will get appropriate and timely information by this Forum.
➢ Platform for collaboration among young researchers for better development.
➢ Provide an opportunity for research interaction and established senior investigators across the globe in the field.
➢ Share the ideas with both eminent researchers and mentors.
➢ It’s a great privilege for young researchers to learn about the research areas for expanding their research knowledge.

Eligibility

➢ Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty with a minimum of 5 years of research experience
➢ Presentation must be into scientific sessions of the conference.
➢ Each Young Researcher / Young Scientist can submit only one paper (as first author or co-author).
➢ Age limit- Under 35yrs
➢ All submissions must be in English.

Basis for Judging

Nominated candidates need to present their research or talk for 25-30 minutes in front of the panel members. Subject should be under the scope of the Pediatrics Meet 2020 Conference. Selection will be on the basis of individual accomplishments, quality & standards of research, Nobel thought, Research methodology, innovative ideas, style of presentation, Significance of the contribution to the field, originality, clarity, and future extended scope of the research and probability of bringing the research in terms of products/services into public domain.

Nomination

We invite online applications from desired candidates, self-nomination or nominated by organizations (both private & public sectors)/ Research guide. The student must be the first author & the student’s advisor should attach a statement that their contribution is primarily advisory.

Candidates applying for the Pediatrics Meet 2020: Young Researcher Award should send their resume, along with a letter of recommendation (from a research adviser / faculty/ Organization heads) to pediatricsmeet@memeeetings.com along with the online application at the Pediatrics Meet 2020 Award page.

Presentation

This award will be presented at Dubai during Pediatrics Meet 2020 Conference.

Prize

➢ We will recognize the awardee(s) with a memento, & Certificate of Appreciation followed by special incentive for the next chapter of the conference.
➢ The prize-winning papers will be considered for publication in the supporting journals subjected to standard review procedures
➢ Opportunity will be given to be Student ambassador for the subsequent future conferences

Pediatrics Meet 2020 provides best platform to expand your network, where you can meet scientists, authorities and CROs from around the world. It’s your time to grab the opportunity to join Pediatrics Meet 2020 for promoting your research article and to facilitate prestigious award in all categories. In this fame, we look forward for your contribution and astonishing dedication to make our Pediatrics Meet 2020 more successful
